

# St Benedict's RC Primary School Newsletter Friday 7 December 2018

Dear Parents and Carers

Happily this week, I managed to spend some time with the children in Year three teaching them Maths. I had such a nice time and was happily impressed with their knowledge in the subject and how well they are able to solve problems. I do believe that I learn most about the school and its workings when I am in class teaching the children. I hope the children enjoyed it as much as I did.

We are currently in the middle of a very busy time at school. As I sit typing my report, the children in Classes 1 and 2 are leaving on their trip and I look forward to hearing all about it when they return. Preparations for the Nativity performances are going well, class Christmas parties are planned and we are looking forward to our yearly Carols around the Tree.

Have a happy and holy weekend

Mr Eddy
